RIDER TESTIMONIALS

"WHAT DOES BUBLR ACCESS MEAN TO YOU?"

"It means that I have freedom to ride and go where ever I want. It also means that I can stay in shape and explore places in Milwaukee that are accessible on a bike. I was very thankful that I was able to use the bike this summer, because it helped me relieve stress. So Thank you very much for this program."
- **Katrina W.**

"A fantastic health benefit to a senior citizen. This will encourage me to get out and exercise more. I thank you for this opportunity!" - **Marsha B.**

"This is my way of being able to still enjoy life and being able to still workout!" - **Sherelle S.**

"To me this means being able to have access to exercise equipment. Living a healthy life during the shutdown! My apartments where I reside has closed down the fitness room, so I no longer have access to any equipment, nor do I have a workout route! This would definitely help me get back on track!" - **Sharon R.**
